From our Vicar

Dear Friends in Christ,

Warm greetings in the matchless name of our Lord and savior Jesus Christ!!

As far as our Diocese is concerned, the month of April is very important for we are about to elect the Pastorate committee members and Diocesan Council members on 25th of this Month. Therefore, in this news letter, I would like to share a few thoughts regarding the Biblical understanding of Elections. There are two concepts of elections in the Bible. First concept is God's Election of His people. In this election, the only criterion is the Grace of God. **"For you are a holy people to the Lord your God; the Lord your God has chosen you to be a people for His own possession out of all the peoples who are on the face of the earth".** (Deuteronomy 7:6) As we all know Christian community (**Church**) itself is a chosen community (**elected community**) (Ephe: 1:4). For God it was a very costly business, because God gave His only son for our redemption. The Holy Bible says in 1st Peter Chapter 1 verse 18 , **"For you know that it was not with perishable things such as Silver or Gold that you were redeemed from the empty ways of life handed down to you from your forefathers, but with precious blood of Christ, a lamb without blemish or defect."** We are elected to be the children of God, which is the Church, the body of Christ.

Second concept of election is, election of qualified persons to the leadership of the church.(Ephe. 4:11-13) We could see the first of

this type in Acts chapter 6 verses 3 to 6; it says, “**Brothers and sisters, choose seven men from among you who are known to be full of the Spirit and wisdom. We will turn this responsibility over to them and will give our attention to prayer and the ministry of the word.** This proposal pleased the whole group. They chose Stephen, a man full of faith and of the Holy Spirit; also Philip, Procorus, Nicanor, Timon, Parmenas, and Nicolas from Antioch, a convert to Judaism. They presented these men to the apostles, who prayed and laid their hands on them”. Here the criterion for election is different from the first concept of election. Here the election is with special purposes and the elected should have certain qualities, it is clear from the above Bible portion that the elected should be “**spirit filled**” and “**wise**”. The purpose of the election is twofold (1) restoration of the saints: (Eph. 4:13) restoration of the saints means spreading the good news. (2) Work for the well being Of the church, the body of Christ: (Ephe. 4:13) work for the well being of the church means, both the spiritual and material development of the church.

As we are getting ready for another election in our church, we must keep in mind that we are chosen by God, therefore we have the responsibility to elect qualified persons and those who want to be the leaders of the church have more responsibility, because they are to be part of God’s mission in this world. Let us elect **spirit filled and wise persons** as our representatives.

SHALOM!
