From our Vicar

Dear friends in Christ,

Greetings to you all in the loving name of our Lord and Savior Jesus Christ!!!!

As we are all aware, gradually we are approaching the last days of 2021, let's thankfully remember God's grace that guided us through the difficult days of 2021. However I am writing this write-up in October, I know that it will reach your hands at the threshold of the month of November. Month of November is ecclesiastically very much important. Down through the centuries, It is customary for Christian Church to reminisce all the 'Martyrs of the church', who had sacrificed their life on the Altar of Christian Faith on 1st November and we observe that day as "All Saints Day". It is on 2nd November that is "All Soul's Day" in which we commemorate all our ancestors, who have entered in to the eternal rest. The first Sunday of November is being observed as "World Sunday School Day" by the protestant churches all over the world. As far as our church is concerned, first Sunday of November is very much important, because, every year, it is on this day, we celebrate our 'Harvest Festival and Annual Thanksgiving Service'. In short, the month of November is a time of fasts and feasts for Christians in general, and for Immanuel Church in particular. Every festival of the church, whether it is Harvest festival or any other festival, must have three dimensional activities, they are (1) Remembrance: In Christian perspective, the beginning of every celebration is the remembrance of life and work of those who walked before us and to see how God guided them by showering upon them His grace and Mercy. (2) Worship: Giving thanks to God for all the magnificent and miraculous works God has done for them and through them for the whole community (3) Celebration: Celebration is an extension of worship, in which people share their joy, blessings, resources and rejoice in the presence of God, especially by sharing food and drinks. Our fellowships are parts of these celebrations. Truly these celebrations are the unifying factor that unites as one faith community and one people. Without these celebrations our lives and our faith would have been lifeless and meaningless, that's why the psalmist says in psalm 85 verse 6, "Will you not revive us again, so that your people may rejoice in you." As we are preparing to celebrate our Harvest Festival on the First Sunday of November, I would like to share with you a few thoughts about HARVEST FESTIVAL:

IT IS A FESTIVAL OF REMINISCENCE: Biblical foundation of our Harvest Festivals can be found in Deuteronomy chapter 26. Very often it is said that Deuteronomy chapter 26 is the Creed or faith affirmation of the Jewish community. In this creed they are recalling the life of their forefathers under the captivity of Egypt, how they suffered oppression and persecution and cried out to the Lord their God Almighty and God interfered in their lives and delivered them from the bondage of Egypt with His outstretched and mighty hand and brought them to the Land of Milk and Honey. As we are preparing to celebrate this year's Harvest Festival let's have a retrospection and see how God guided and protected us last one year under the shadow of His Golden wings.

IT IS A FESTIVAL OF THANKSGIVING: 'Worship' in one sense is a Thanksgiving. We cannot help but be grateful to God when we find answers to three pertinent questions regarding our existence, which are (1) who were our forefathers? (2) How did they live in the land? (3) What differences did God bring about in our lives? Jewish community always asked these questions themselves and worshipped God for all the blessings God had given to them. In every festival they thankfully remember all the mighty works God had done for them and they witnessed it to the next generations and worshiped God. As we are preparing for our Harvest Festival and Annual thanksgivings service, let's worship God with all our heart, with all our strength and with all our resources.

IT IS A FESTIVAL OF CELEBRATION: The soul of Harvest Festival and Thanksgiving service is sharing of God's blessings with others. 'Sharing' is God's statutes to God's people. "Then you, together with Levites and the aliens who reside among you, shall celebrate with all the bounty that the Lord your God has given to you and your house" (Deutro: 26:11). God willing, we will come together on 7th Nov, 2021 for our Harvest Festival and Annual Thanksgiving service. As we come together, let's share our joy and our blessings with our fellow Christians, and worship God gratefully and meaningfully.

"All shall give as they are able, according to the blessing of the Lord your God that He has given you"

SHALOM!

SUNDAY SCHOOL

"Trust in him at all times, you people; pour out your hearts to him, for God is our refuge. – Psalm 62: 8"

We praise the Lord for enabling our Sunday school children to participate in the Sunday school Sunday held during English and Malayalam worship services on October 17th. Children actively participated by leading various parts of the worship. We will be having our October month retreat on 30th via zoom at 7.00 pm. The speaker will be Rev. Mathew Varkey, former secretary of Bible Society of India.

This year's Harvest Festival sale will be held on 31.10.2021 immediately after the English and Malayalam divine services.

IMMANUEL CHOIR

Oh come, let us sing to the Lord, let us make a joyful noise to the rock of our salvation (Psalm 95 : 1)

As Choir members, we sing and make music in our hearts to the Lord, to the Lord Jesus Christ. We do consider music as a glorious gift of God. We are never sorrowful, but merry, and we smile through our troubles in song.

Even with a lot of limitations, we all came to glorify God to commemorate Choir Sunday on 10th October. Our Choir members themselves took a lead role for both English and Malayalam service. Messages from the word of God were delivered by our dear Choir member Mrs. Shilpa Sajith (Malayalam service) and Mrs. Liz Varghese (English Service). A special song in Malayalam was rendered by the Cathedral Choir members which made the day more blissful and memorable.

We are really thankful to all the efforts put in by our dear Choir master, Mr. Renji Varkey for making this day a grand success.

What is Real Success in life

In one way or another we all have to work to live. That is the immutable law of economics. But in addition to the job that brings in the money there is another kind of work that we all have to do. No matter whether you are an Engineer, a Doctor or a Lawyer, in the Army or in the Navy a Merchant or a Cooly labourer, a Carpenter or a Mason, a Kitchen maid or a princess, you have a very definite job to do for God quite apart from your trade or profession.

If you are a failure at your work a day job you won't make much of a name in the world, but that doesn't matter so long as you are a success at other work, the work of being the real you, the soul part of you for which you will have to give an account when your time is up. This is the work you will be judged on, not the work that you do for your living.

You never have to look for this sort of work. It is all round on wherever you are. There is always some bit of devil's work to

be destroyed, some wrong to be put right, some point at which you can make a stand for Christ and His teaching. Remember that He is your Master, and you are here to serve Him and His purposes.

Do not say a thing is not worth doing because it does not seem very important to you. It is not for you to say what is trivial and what is significant. You get on with the job and leave it to God to weigh up the relative values. The thing you think is too small to bother with may be the very thing you were born to accomplish, the thing the Master wants you to do here and now.

Listen to what St Paul says: "Each man's work shall be made manifest for the day shall declare it, because it is revealed in fire.....If any man's work shall abide which he built there on, he shall receive a reward"
1 Corinthians 3 : 13 & 14.

Meditation

Few people can truthfully say that they cannot spare a few minutes daily for getting quiet and thinking about spiritual things. It may mean a small reorganization of your leisure, a giving up of ten minutes or so, but you can make the time if you have the desire. Making the time is not the difficulty; the difficulty is finding the place. In most houses there is a room devoted specially to bathing, cooking, eating and sleeping, but nowhere to pray.

What a lovely thought it was on the part of the Shunammite woman to prepare that little room on the wall of her house for Elisha to use whenever he passed that way. How clever of her to have understood the prophets need of somewhere private where he could get away from other people and listen quietly to what God was trying to say to him. And how wise of her not to have crowded it up with a lot of unnecessary luxuries. "Let us set for him there

a bed," she said to her husband, "and a table, and a stool and a candlestick."

Some people work themselves to a standstill to cram their home with the toys of civilization. We have everything necessary or unnecessary and God is crowded out of the house. There is not a corner in the house to spend a few minutes in meditation to hear His voice and to think about Him - How can you hope to be at peace with yourself and others?

If you cannot clear a space in your home clear a corner of your mind - Throw out those things which separate from God and your fellow beings, such as pride, jealousy, hatred, sensuality and covetousness and make for yourself an inner room, a place of quiet where you can receive your Lord.

Dr. W. E. Sangster writes as follows:—

"One pitfall is to confuse meditation with day dreaming. You can sit in a hazy state, thinking of nothing, and make yourself believe that you are meditating. This is profitless. Meditation has to work on some true and deep theme; one has to learn how turn that theme over and over in the mind".

"It is surprising how many moments can be garnered for meditation. We all do tasks which may not absorb our minds: the husband travelling daily to work, the wife doing her household duties. Think of the time it takes to dress and undress; waiting to be served in a restaurant; walking to the station. Meditation can turn these lost moments into glorious gain, can freshen us in the midst of activity and gives us an assurance of the power we have in reserve."

"If any man hear My voice, and open the door I will come in to him" Revelation 3: 20.
